IP Telephones

FortiFone IP Telephones

FON-H25, FON-175, FON-370i, FON-375, FON-470i and FON-670i/675i

Whether you're looking for an entry level or executive level IP phone, stay connected to your calls with a FortiFone IP phone. Each FortiFone is a feature-rich experience with high quality audio and dedicated keys for the most common features. The FortiFone experience offers a range of options from phones that can be used in a hotel or waiting room, to phones that offer vivid color screens, with programmable line and extension appearances. Managing calls has never been easier.

Key Features & Benefits

HD quality audio	What good is a phone if you can't hear your caller? That's why each of the FortiFones deliver crisp, clear audio through the handset and speaker.
Visual notifications	Always be up to date on calls with easy to see missed call and voicemail notifications.
Key appearances*	Programmable key appearances give you the power to not only monitor lines and extensions, but you can also program the keys for a number of features available on the FortiVoice.

* On select models

Stay Connected with a Complete Office Phone Solution

Combined with the powerful features of the FortiVoice PBX, the FortiFone delivers more than just what you need, it gives you what you want.

- Call forwarding
- Voicemail notification
- One-touch transfers
- Do not disturb
- Conference calling
- Speed dial
- PoE (Power over Ethernet) support
- Auto-discovery for easy setup

HIGHLIGHTS

FON-H25

The new FON-H25 is a customizable IP phone with high quality audio and dedicated feature keys. With 6 programmable keys along the top, one-touch access for important calls can easily be configured, making this phone feel right at home in a hotel room, waiting room or right in the office.

FON-175

Introducing the FON-175, a no fuss IP telephone that puts the features you need at your fingertips. The HD quality audio, 11 feature keys, color screen and ease of use, make this a phone that works in any office.

FON-370i

The FON-370i is an easy-to-use and feature-rich phone that's great to use in any office. With 8 programmable keys, 10 feature keys and premium audio quality in the handset and speaker, this is one powerful phone.

HIGHLIGHTS

FON-375

The FON-375 features a whole lot in one great package. Not only does the phone deliver crystal clear audio, the easy-to-read and easy-to-use second screen can be programmed to show you who is on a call, which lines are in use and more.

FON-470i

With a large, vivid color display, premium audio quality in both the handset and speaker, the FON-470i is a great phone for any office. The dedicated feature keys and 6 programmable appearance keys give you the power to easily control your calls. All of these features and more give the FON-470i a lot of bang for your buck.

FON-670i/675i

Introducing the FON-670i/675i, a great combination of business-class features and vivid touchscreen. An executive phone with programmable appearance keys and the features you need at your fingertips. With an optional HD video camera and HDMI out port to compliment these features, this new FortiFone is a power house.
